

University of Guilan

Office of Vice President for Academic and Graduate Affair

Declaration of the thesis originality

Hereby, I declare that this thesis entitled *Some Results on the Preconditioning of the Saddle Point Problems* which has been defended for a Ph.D degree in the field Applied Mathematics in specialization Numerical Analysis in January 2019, is a result of my own research. In the case when some other studies and/or publications have been used in the text are cited. This thesis has not been submitted for any degree in any other institutions, inside or outside of Iran. I hereby undertake that, in the case of making any use from my thesis for publishing articles, books, patent registration, etc., the permission of my major advisor and department is necessary; otherwise, University of Guilan authorities have the right to take action against me based on rules and requirements, and in the case of cancelling my degree, I have no right to claim.
